

All the products you need to get into a glowing new beauty regime

Lash out

For thicker, longer and fuller eyelashes try out Renokin's Lash Lash, a treatment product that helps the growth of your eyelashes.

Lash Lash is made with patented ingredients, ensuring faster and more effective eyelash growth results in only eight weeks. The nifty product increases the length of the growth phase of the eyelash hair cycle and also increases the number of hairs in the growth phase. Lash Lash also prevents eyelash loss.
